Discover more in White Cliffs Country

Perfectly positioned for a cruise visit, White Cliffs Country is truly unique. Within the towns of Dover, Deal and Sandwich, you'll find some of England's mightiest castles and most historically significant sites, its most idyllic rural villages and dramatic coastal views.

Just along the coast, the town of Deal is one of the prettiest seaside towns in Kent. Boasting an award-winning high street and an unspoiled seafront, is unsurprisingly frequently highlighted as one of the best places to live in Britain.

Once a bustling port, Sandwich, a true hidden gem and said to be one of the best-preserved medieval towns in Britain. Wander through unspoiled streets, where there are more half-timbered houses than any other street in England or follow the historic town trail, much of it running alongside the River Stour.
